Editorial

The devil is after both the minds and the bodies of our youth. Wake up and be on alert, ere you must weep for your own! The public school system is run by the devil, as are many other “trusted” institutes. Long in the planning has been the subversion of children, destroying innocence and morality and manipulating them into the controllable citizenry desired by the wicked powers-that-be.

Parents! Find out what they are teaching your children and teach your children to communicate with you. The system is grooming your precious sons and daughters to be amoral children of the state and Satan’s prey. It is their hope that you will be too busy or too complacent to notice. They are not in a safe environment! Snatch your babies from their grip and run! Don’t wait until you figure out your Plan B.

Desperate times call for desperate means. Every bastion of safety and morality is fast crumbling before our view. God-haters madly rush to usurp the Almighty’s authority in the earth and to destroy the very foundation of righteous principles which secure the peace and stability of society. It is no wonder, then, that the systems of man are failing, including religious systems! Where is the voice? Who has enough righteous indignation and spiritual vision to cry aloud and spare not? Where are the John the Baptists crying out against the vipers of our generation, for they are many?

I know of but one haven on this sin-cursed earth—the church of the living God! The church which Jesus built, and which “the gates of hell shall not prevail against,” through the power and grace of God Almighty. Against this holy place, hell is lashing out with all the fury it can muster. I urge God’s holy people to pray, pray, pray for a pouring out of God’s power and anointing upon His ministry such as the world has never seen before. In this climatic end-time battle, may the powers of darkness be pushed back and the devil and his leagues tremble!

TESTIMONIES & LETTERS

The Spirit and the Bride say, Come!

Please let me tell you about an old love letter. Most people call this letter “the Bible.” And its author? He is God. At the end of this love letter it says: “The Spirit and the bride say, COME” (Rev. 22:17)!

O beloved brother, sister, and reader, with all my heart, more than I can put into words, I am grateful for this call! It is plain and simple: COME! I am known to most of the saints in the church of God because there was a time when I marched hand in hand and side by side with them. But August 12th, 2008 was a day of mourning when I listened to the call of the devil and believed the deception that I would find happiness in this life without God.

O thank God that His Spirit never stopped calling softly but urgently—COME! I thank Him for keeping me alive, though I deserved death for what I did and narrowly escaped it at least twice. I thank God that He kept His love letter in my memory, though I stowed it in the back of the closet. I thank this loving, merciful and true Friend for following me for 13 years, though I did not behave like a friend myself.

I also thank the saints from the bottom of my heart for never tiring of calling—COME! I thank them for never giving up praying for me when I was no longer praying myself or looking for their company; when I broke their trust and turned my back on them. Who else on earth loves like this?

My disobedience and attempts to enjoy life without God and His church led me to one disappointment after

another. After 13 long years, I found that “there is no new thing under this sun” and without this divine Friend you will never find lasting joy or peace in this sad world—NEVER! After the first while, the fun will be over. Next weekend you search again. And the next. And the next. Those pleasures cannot satisfy, yet you find yourself seeking a higher thrill, until you are so high on alcohol and drugs that you are standing among 7,000 people in the middle of a festival, feeling lonely and screaming inside: What am I doing here? Please, do not let me die like this tonight!

I am wholeheartedly grateful to have escaped this self-deception and the chase from one moment of pleasure to another with its bitter consequences! I thank my God and His precious saints that I am no longer out in the mire with the swine having constant hunger (Luke 15:16).

Since May 27th, 2021, I can testify that God's grace and love are sufficient. Finally, I have ongoing fulfillment in my heart again, no matter what the external circumstances may be.

We all have a deep desire to love and be loved. I am so grateful that I have experienced this indescribable love! I now desire to help you and pass this love on and join the call with all my heart: COME! If you are already saved and know this love, never forget this love. If you once knew this love and have turned away from it, COME! The same, immeasurable love still awaits you.

If you've not yet experienced this love and are searching for fulfillment, COME! Read God's love letter and you will find it

is all true! The half has not been told!

O I thank my beloved Saviour that I am back with my real family! This is where I want to be and this is where I want to stay, because only here true friendship and love can be found. Please pray for me to walk worthy of this love.

LIES YOUR LEADERS TELL YOU

SIS. SUSAN MUTCH

French President Emmanuel Macron argued that refusing to be vaccinated against Covid-19 is not “freedom” because anti-vaxxers infect and kill others through their “irresponsibility” and “egoism.”

I wish Mr. Macron, along with all the other world leaders echoing this same mantra, were grossly ignorant of science or just generally plain stupid, then we could feel some pity. It being unlikely that they are not intentionally lying, it must be concluded that they are unspeakably EVIL. All having strings attached to someone higher up, they dance in unison to the global covid chorus. “We will all die unless vaccinated!” “The unvaccinated are anti-science, fact-deniers and are a serious threat to public safety!” “We have a pandemic of the unvaccinated.” “Anti-vaxxers are selfish and uncaring! They do not deserve freedoms and rights!”

Drag out the Nazi template and it is not difficult to see who the new “filthy Jews” are, with a vaccine passport replacing the yellow arm-band. Those that can’t spell r-e-a-s-o-n anymore due to months of extreme propaganda assaulting their brains, point to the unmasked and unvaxxed to release the venom which they have imbibed upon this new “public enemy.”

But, having lost trust in “health experts,” with their ever-changing recommendations, the non-compliant demand, “Show us the science,” yet no science has been forthcoming. And when thinking people see the political and judicial systems deny the citizenry of their God-given constitutional rights and freedoms on a baseless emergency, when they catch them in lies, see extreme censorship of any dissenting voice, then those thinking people are compelled to ask, “What is the agenda?” When bribes, lotteries, coercion, and mandates of a gene-changing, untested jab (which has already harmed millions) is being forced globally, children even being subjected to it without parental knowledge or consent, then we are in an emergency of an unprecedented nature. *I pray to God that people will wake up, start thinking and resist!*

Someone is presently keeping the whole world hostage, manipulating minds and controlling our lives—and it has nothing to do with health!

The state does not own us. It does not own our children. No lawful government can mandate medical procedures on its people. Remember Nuremberg! When we have rulers and professionals operating with flagrant disregard for medical science, constitutional laws, and human rights, we are under criminals in high places. 🖊️

UNEDUCATION

The Dumbing-Down Agenda

BRO. ADDISON EVERETT

A popular song of the world emphatically declares,

“We don’t need no education
We don’t need no thought control
No dark sarcasm in the classroom
Teacher, leave them kids alone”

Although we don’t support disrespect toward those with the incredible calling of educating tomorrow’s adults, it seems the famous words of the band Pink Floyd resonate now louder than they did in the sixties. The precise grievances Roger Waters (1943-Present, of Pink Floyd) had against the education system are not clear, but we can join him in his powerful reprimand of an institution that is guilty of the systematic ruin of billions.

Society is being de-educated. Let us call it the “un-education” of the world, and it is the undoing of society as we know it. Under the deceitful guise of altruism, children are being trained to hate, discriminate, lust, and despise their own God-given freedoms. The faculties of reason are being murdered in the classrooms. In the name of free-thinking, the institution is engaged in the greatest, mass brainwashing of all time. Mr. Waters had it right: it is thought control.

Now this is not to say that all modern education is bad, or that no one has benefited from Academia. But it is to say that the agenda behind the educational juggernaut is sinister, and those that come through it with their apparent sanity are of the rarer kind. Much

less those able to maintain any kind of purity. Even the youngest children are being robbed of innocence by perverted adults who are more interested in making a space for their own promiscuity. God has charged them with the souls of these little ones, but they would rather have them sodomized than forfeit their own sexual liberty. You may think this is a drastic judgment, but the searching Spirit of God continues to expose it for what it is.

If you want to identify the education agenda, all you must do is follow the money. The mega-donations of billionaires like Bill Gates have funded the overhauling of state education through programs like Common Core. Big money lobbying and philanthropy ensure that the ones with wealth stay in control of how the next generation thinks.

Those behind the greater public education programs know that the way to change the world is through uneducating the youth. Today people fight for their freedoms, tomorrow they willingly give them away, as long as they can be indoctrinated with a virtuous-looking idealism when they are young. This is about much more than civil liberties, but make no mistake, if the powers-that-be have their way, the future is one where slavery is liberty, liberty is fascism, and everyone believes it. The future is gained by generational conditioning. They are willing to play the long game to usher us all into the New World Order. All they need is for us to go along and not rock the slave-boat too much.

They are targeting the young. Attacking their sense

of moral good. Perverting their consciences at such a young age that they can hardly tell right from wrong when they get older. Searing their minds to block out the feeling of God and shelter them from the conviction of the Holy Ghost. Drugs and alcohol don't do as much to block out the voice of God as the godless philosophies of "higher learning." If something as simple as their own bi-

ally nothing that can't be confused later in life. These are the people they want to cast the votes, hold public offices, and instruct the next generation coming up. Welcome to the post-modern world of "educated" relativism.

In the name of equality, children are being taught explicit racism. An entire article ought to be dedicated to this alone. In the name of community, they are instructed to throw away their liberties. In the name of love and tolerance they are taught to despise the God of mercy. Some people have been reduced to such a heaping pile of senseless contradictions that it would be humorous if not for the terrific abuse perpetrated on these poor souls.

This ongoing erosion of principles is destroying the very foundations of society, and if Jesus doesn't return in the clouds soon, would thrust the world into a black hole of chaos from which there is no return. The fabric of human existence has been rent and the tear only worsens. It can no longer be repaired.

The only hope is for the few who will listen to wake up and do something radical with their children. Something radical like pulling them out of the educational establishment and refusing to take part. While many homeschool groups can be as big or bigger a failure than institutions, many parents would be better off instructing their children at home and asking God to lead them

to the truth. If nothing else, at least they could keep their purity and common sense.

This is why we have felt so strongly that God wants to use our schools. Our children do not go to public schools. We are working hard to develop an educational program that God is pleased with. One that glorifies the God of reason. An educational environment where students can learn at the highest levels. Where the narrative of history is reconciled with the prophetic account, not told from the biased vantage point of earthly conquerors. Where girls grow into women and boys into men. Children are taught the lost art of respect and how to work. Where the viewpoints of different cultures converge yet differences are valued, and disagreement is still viewed as healthy. Yes, our schools are so very important.

Join us as we fan the flames of God's judgment against this crooked educational system. May the Academies of the Church of God be filled with smart and eager children, whose parents realized the fall of the school system can not be reversed. May we stop the uneducation of our precious children and train them up in the nurture and admonition of the Lord.

Recently it is alleged that Mr. Waters was offered large money by the founder of Facebook to use his famous song in an advertisement for social media. The irony is heavy,

tools in the hands of those dumbing down society. Roger took a colorful yet firm stand against Facebook and its founder, refusing the money. We feel this was very appropriate.

In the spirit of this article, we say with Mr. Waters, that we don't need that kind of education. We don't want that thought control or the dark sarcasm of nihilist educators. Please, teachers, leave those children alone. 🙏

Take off your “thinking caps” School is about to begin!

Albert Einstein said, “Never confuse education with intelligence.” I wonder if Mr. Einstein reached this conclusion by having insights into the public school system which was birthed from the dark hearts of Rockefeller and Carnegie in the early 1900s.

John D. Rockefeller...again? Yes! As in the rise of Big Pharma, so he is found in the takeover of the public school system, creating the General Education Board with his “philanthropic” money. His burden? Intelligent citizens, critical thinkers, problem-solvers, the advancement of bright minds? No. In Rockefeller’s own words:

“I don’t want a nation of thinkers, I want a nation of workers.”

Rockefeller’s business advisor, Frederick T. Gates, stated:

“We shall not try to make these people or any of their children into philosophers or men of learning or of science. We are not to raise up among them authors, orators, poets, or men of letters. We shall not search for embryo great artists, painters, musicians...”

And now, not surprisingly, we have Mr. Bill Gates carrying on the Rockefeller legacy to dumb down the populace. Why dumb them down?

- Intelligent citizens are difficult to govern, being more likely to know the issues.
- To discourage critical thinking and suppress dissent.
- To reduce them to the same level and breed a standard citizenry.
- To discourage pupils from working together to solve problems.
- To make them passively compliant.

Bill Gates – Philanthropist?

SIS. SUSAN MUTCH

In 1998, the US government sued Bill Gates for antitrust violations. Microsoft was charged with engaging in anti-competitive, exclusionary practices designed to maintain its monopoly in personal computer operating systems.

Soon after, Gates founded the Bill & Melinda Gates Foundation, reinventing himself as a generous philanthropist. This is reminiscent of about a century back when billionaire John D. Rockefeller hired a PR person to change his image from the ruthless oil monopolizer that he was, to a kindly old man handing out dimes and donating millions to institutes which he newly founded, including the Rockefeller Foundation and the Rockefeller Institute of Medical Research. Control of education and medicine proved to be his ploy, along with increasing his fortune by getting a return from the very entities he founded and funded.

Scripture declares that “there is nothing new under the sun,” and we see this truth verified in Bill Gates patterning himself after Rockefeller’s template. In the words of James Corbett, “Like a true philanthro-capitalist, Gates’ generosity ends up benefiting himself most of all,” as his foundation donates billions to the very same companies that it owns stocks and bonds in. No surprise then, that since he declared the Decade of the Vaccines in 2010, Gates has doubled his wealth.

For the past two decades, the fingerprints of the Bill and Melinda Gates Foundation are on every global health initiative. “Every aspect of the current corona virus pandemic involves organizations, groups, and individuals with direct ties to Gates’ funding.” Even the World Health Organization, which has been shaping the response to the “pandemic,” has Gates as its second largest donor. Remember,

money buys power, and this man has purchased a frightening amount of it. Some have rightly noted that Gates has changed from a software monopolist to a health monopolist.

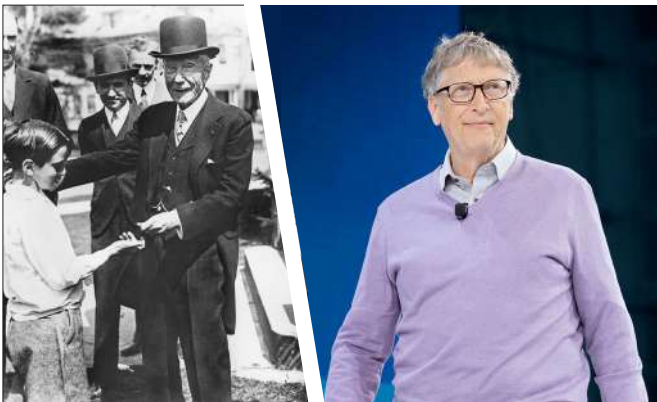

Dr. Joseph Mercola stated: “Indeed, over the years, Gates

has ended up in a position where he monopolizes or wields disproportionate influence over not only the tech industry, but also global health and vaccines, agriculture and food policy (including biopiracy and fake food), weather modification and other climate technologies, surveillance, education, and media.

“Not surprisingly, he’s tied to online fact checker organizations that strangle free speech, and recently told ‘60 Minutes’ that to combat mistrust in science, we need to find ways to ‘slow down the crazy stuff.’” I dare say that Mr. Gates has found ways over the past few decades to ensure he controls the narrative, financial ties to fact checkers and mainstream media being but a few.

He donated 250 million to mainstream media in the first 6 months of 2020 alone. Gates’ money comes with strings attached. He knows how to make people dance.

James Corbett reports: “The Gates-founded Gavi Vaccine Alliance is an open partnership between the Gates Foundation, the World Health Organization, the World Bank and vaccine manufacturers [all corrupt]. Their stated goal includes ‘introducing new vaccines into the routine schedules of national immunization programs and engaging in ‘market shaping efforts’ to ensure ‘healthy markets for vaccines.’” These corrupt part-

ners have indeed achieved their desired “healthy *markets*.” The goal has never been healthy people.

You can consider him a caring philanthropist if you choose, but for those having researched his doings, they will say he is anything but. He says to “follow the science.” Well, for those of us that have done just that by looking at real data and listening to multitudes of medical and scientific professionals—those he seeks to censor—we have actually found Mr. Gates to be very anti-science. Medical science is being slaughtered with the global covid lockdowns,

masking, and toxic vaccines (which are also said to include sterilization agents). Bill Gates’ pathway is strewn with untold harm to mankind. If you have fallen prey to the current covid propaganda, you will likely strongly disagree. While certainly not alone in his crimes, he is a main player on the public stage—a merchant of the earth.

Do not the extreme conflicts of interest attached to this “philanthrocapitalist” raise any alarm in your mind? His billions have bought control of the institutes of health. His tentacles reach to fact checkers and mainstream media. He owns the narrative, controlling the information you receive! His hand is in the companies making vaccines, by which

he is getting richer by the minute! And while his wealth accumulates, hundreds of thousands are suffering or dying from the current DNA-changing covid vaccine! Jack pot of all vaccines!

Quite the well-thought-out investment portfolio in the last few decades, is it not? Yes – *but not for a philanthropist!*

Why is Mr. Gates, who is not a doctor, taking a lead in the corona virus response and saying the entire world needs to be vaccinated before life can get back to normal? He also owns shares in companies making the vaccines he wants us all to take.

Why trust a man with an experimental vaccine when he says *it could lower the world’s population by 10 to 15 percent?* This

is especially concerning considering his belief that the growing human population is the greatest threat faced by humanity. In 2009, he cohosted a meeting with David Rockefeller, Sr. on reducing the population. And let us not forget Gate’s family history in eugenics.

Why should one trust Gates with any vaccine with the history of harm caused by his vaccines in Africa, India, and other countries, along with his cold-hearted unconcern in denying any support or compensation to the families of the hundreds of thousands he injured or killed?

Why has he purchased 269,000 acres of farmland in the USA? He is not a farmer. In fact, he wants us to eat fake lab food along with his genetically modified and

pesticide-laden, cancer-causing crops.

Why is he involved in weather modification and climate technologies (why is anyone)? Does this tie in with him trying to convince the world there is a climate crisis when there is not? Perhaps when the corona fear-mongering subsides, he and his cohorts-in-crime hope to accelerate the fear of climate change in order to continue

“

Gates has ended up in a position where he monopolizes or wields disproportionate influence over not only the tech industry, but also global health and vaccines, agriculture and food policy (including biopiracy and fake food), weather modification and other climate technologies, surveillance, education and media.

controlling those already propaganda-trained not to think critically?

Why is he involved in surveillance and tracking technologies? Who is he after and why?

“Given that we are currently going through a crisis which has been predicted by Bill Gates, which is triggering a response from the world health organizations that the Bill & Melinda Gates’ Foundation has bank-rolled, and driving us toward a vaccination and biometric ID solution which Bill Gates has been working on for years,” one would do well to learn more about the man and the ideologies driving him, for he is greatly and seriously impacting our lives.

If what the “conspiracy theorists” say about the globalist agenda is true, then Mr. Gates appears to be in lockstep with them. He is not alone in his ideologies.

An increasing number of people are awakening to the fact that something is gravely amiss in the world. It defies reason. It is unprecedented in the history of man, and the powers that be are working furiously to censor any dissenting voices. Good-bye free speech. And unless the global populace arises and resists, it will be good-bye to free people.

This is no time to blindly follow the propaganda of

government agencies and mainstream media that are intent on all getting an untested “vaccine” while censoring the fact that it is killing people by the thousands. They are also silencing the multitudes of medical professionals who are urgently warning against it. Do not be coerced. Refuse it at all costs.

GOD IS LAUGHING

BRO. DAVID KAUFFMAN

“The kings of the earth set themselves, and the rulers take counsel together against the Lord, and against his anointed, saying let us break their bands asunder, and cast away their cords from us.” Psalm 2:2

Today we find ourselves in a world that is swiftly and, by design, spiraling into darkness—a darkness vastly deeper than that of the dark ages, a darkness strategically created with a purpose.

The governments of this world, their financial institutions, judicial systems, educational systems, scientific community, major industries, healthcare systems, entertainment, and mainstream media outlets have all been monopolized, bought out and brought under the control of a small, extremely wealthy elite group of families and self-made kings. This group of powerful men, though unfathomably rich, are not merely driven by the greed for more monetary wealth, but by an evil lust to be as God and to heap to themselves that which is not theirs—“the bodies and souls of men.”

In gaining control of the money and the media, they have gained control of the governments and the resources. In turn, they are able to gain control of the masses. Their ultimate sinister purpose is to gain control of all the peoples of the world—body, mind, and soul—to control nature itself, to exalt their throne above the stars

of God, to be like the Most High and to sit as God.

They are haters of God who have studied, taken counsel together, and made it their life’s work

to dethrone God, and to set themselves in His seat to be the governors of the universe and the givers of life and death, bondage or freedom, sickness and health, cause and cure. They are operating in the very spirit of the serpent in Genesis, who challenged God’s Word, setting himself and his word in opposition and competition to God in an effort to steal the faith of humanity, which belongs to God. These men have labored intensely to break God’s bands and cords, and His laws, that they might impose their own bands and cords.

Through their conspiracies, taking counsel together—Davos group, Bilderberg meetings, G7-G20 meetings, United

We are experiencing the greatest tyrannical, satanic take over the world has ever seen.

Nations assemblies, etc.—we are seeing the swift rise of a global consolidation of control into their hands. Using a pretense of care for humanity, they are rapidly loosening humanity from the moorings that

make us essentially human.

We are experiencing the greatest tyrannical, satanic take over the world has ever seen. By corrupt media and evil legislation, under the false guise of a pandemic and saving the environment, we see God-given human liberties being stripped at a rapid pace.

The dehumanizing of mankind, the twisting of science to justify the murder of the innocents, the fluidity of gender, the destruction of the family unit, the sexualization of children, and many more such evils have been a feat of social engineering and playing God. The intent is to leave humanity on a dark, shoreless sea without a compass, anchor, sun, moon, or stars, to create a world cut off from the light, disconnected from its foundations and landmarks, helpless and at their mercy, that they might be the light, the saviours; that they might offer the solution and be God.

At the present moment, they are reaching for the prize of their evil fantasies—total control of the human existence, to sit unchallenged on the throne of God Himself.

Returning to the verse preceding our text in Psalms chap. 2:1, the writer begs the question, “Why do the heathen rage and the people imagine a vain thing?” Ah, is it not

**At the present moment,

a vain and foolish
thing to assume
the throne of God!

“He that
sitteth in the heav-
ens shall laugh:
The Lord shall
have them in deri-
sion.” Psalm 2:4.

Oh dear reader,

God is still on His throne, unchallenged and untouched, and He is laughing in derision that these feeble humans, who are mere worms in His sight, might devise to take His seat! May every God-fearing man join in the laughter! Professing to be wise, they became fools—fools to the ultimate degree! Gold medal winners of foolhood!

The scripture continues with the promise that God would vex them in His wrath and displeasure. He tells us that He has already set up His king on His holy hill of Zion, and that He would break them with a rod of iron and dash them in pieces as a potter’s vessel. He closes the chapter with words of wisdom and instruction to the judges and kings of the earth. “SERVE THE LORD WITH FEAR, rejoice with trembling. KISS THE SON (the true King of kings whom he has set on his holy hill) lest he be angry and ye perish from the way, when his wrath is kindled but a little.”

It seems that the
prized possession of the
kings of this world is al-
most within their grasp—
yet it is not so! They have

failed to calculate God and His church into the equation. The one fact that will cause all their castles to crumble is that God does exist. He has a people and a kingdom on this earth, and that Truth cannot be buried forever. They have failed to consider the prophecy, that at evening time it shall be light, and that mount Zion should be established. No matter the counsels, lying scientists, technology, wealth, military might, etc., they will not stop the light that is already breaking through!

And He that sitteth in the heavens shall laugh! 🖨

**“He that sitteth in the
heavens shall laugh:
The Lord shall have
them in derision.”**

Messengers in the Bosom of God

G.D. WATSON

“And I will set up shepherds over them
which shall feed them: and they shall fear
no more, nor be dismayed, neither shall
they be lacking, saith the Lord.”

Jeremiah 23:4.

“For I have not shunned to declare unto
you all the counsel of God.”

Acts 20:27.

The world and the visible church both need messengers of God so perfectly purged by the Spirit and filled with Him as not to fear rich and cultured sinners, who are not ever afraid of offending someone, who have no fear about their salaries or the votes of the conference, who are not afraid to preach very simple Bible sermons, who are not afraid of telling their experience, who are not in the least afraid of the flatter or abuse of the whole world.

They need men who bury themselves in the bosom of God that the created universe cannot scare them; men who so fix their eyes on Jesus that they are oblivious to stained glass, pipe organs, fine clothes, and the foolish whims of proud theatre-going church members; men who walk so close with God that when they preach, the people feel as if a solemn section of eternity were falling on them.

But this holy courage cannot be studied out, nor thought out, nor volitioned out, not counterfeited. It comes only into an utterly purified heart, and is one of the fruits of perfect love. 🖨

Pray *for the* MINISTRY

“Brethren, pray for us.” 1 Thess. 5:25

We refresh the reader’s memory upon the subject of prayer for ministers, and we do most earnestly implore every Christian household to grant the fervent request of the text first uttered by an apostle and now repeated by us.

Brethren, our work is solemnly momentous, involving weal or woe to thousands; we treat with souls for God on eternal business, and our word is either a savour of life unto life, or of death unto death. A very heavy responsibility rests upon us, and it will be no small mercy if at the last we be found clear of the blood of all men.

As officers in Christ’s army, we are the especial mark of the enmity of men and devils. They watch for our halting and labour to take us by the heels. Our sacred calling involves us in temptations from which you are exempt. Above all, it too often draws us away from our personal enjoyment of truth into a

ministerial and official consideration of it. We meet with many knotty cases, and our wits are at a non plus; we observe very sad backslidings, and our hearts are wounded; we see millions perishing, and our spirits sink. We wish to profit you by our preaching; we desire to be a blessing to your children; we long to be useful both to saints and sinners. Therefore, dear friends, intercede for us with our God.

Miserable men are we if we miss the aid of your prayers, but happy are we if we live in your supplications. You do not look to us but to our Master for spiritual blessings, and yet how many times has He given those blessings through His ministers. Ask then, again and again, that we may be the earthen vessels into which the Lord may put the treasure of the gospel. We, the whole company of missionaries, ministers, and students, do in the name of Jesus beseech you... “Brethren, pray for us.” 📖

From Morning and Evening

Brethren, Pray For Us!

Finally, Brethren, pray for us
On whom the burden weighs,
End-time gospel to disperse,
We must now go our ways!

We need you, brethren, pray for us,
Cease not to intercede!
Christ’s embassage is in our trust,
And in His stead we plead.

We urge you, brethren – Pray for us!
How solemn Christ’s command:
“Instruct all nations, reconcile –
“Twixt dead and living stand!”

Please pray for us! The mystery’s done,
The scroll of Time unfurled.
That Great Day hastes upon us, when,
With Him we’ll judge the world!

ARMAGEDDON NEWS

REPORTED BY BRO. DANIEL EICHELBERGER

So much happens in our day that it is easy to get information fatigue. So many reports pour in from all points along the front of this war. It is hard to keep up with them all. They are a dizzying array of moral collapse and sinkholes. Jarring in their magnitude. Horrifying in their import. Where is stability in this compromising generation? Only with the saints of the Most High!

Scotland's Assault on Common Sense and Reason

Education officials in Scotland are joining the common descent into the madness that is transgenderism. Recent "guidance" for the nation's primary schools will allow for children as young as four to be able to switch their genders while at school without parental notification or consent.

As reported by *The Daily Mail*, the government has directed primary and secondary schools to include books featuring transgender people in their curriculum. Students are also to be allowed to choose the bathroom or changing room that corresponds with their chosen identity.

Teachers are not required to inform parents if their child has changed their name or gender while at school, and these requests are to be honored by teachers and staff.

"This guidance outlines how schools support transgender young people while ensuring that the rights of all pupils are fully respected," explained education secretary Shirley-Anne Somerville.

We forgive our readers for noticing that the rights of the students who

object to sharing a bathroom with one of the opposite biological sex are being infringed by the guidance. Common sense and reason are always casualties when hypocrites trip over themselves to bow to the capricious god of modernity.

No Shot, No Service

New York City has taken a major step forward in the beastly agenda of this present age. Mayor Bill de Blasio has mandated Covid vaccines for anyone seeking to dine-in at restaurants, visit art galleries, museums, bars, gyms and other public venues. Patrons must now present their vaccine cards or passports showing they have at least been partially vaccinated in order to receive service. Billed as the "Key to NYC" program, it is the most sweeping example of the extent to which fear and paranoia can rule a society.

But Mary Josephine Generoso is having none of it. The New York Post reports that Generoso, the manager of Pasticceria Rocco pastry shop and diner in Brooklyn, refuses to comply with the mandate. She will welcome all patrons, regardless of vaccination status.

"For me, it's not political—most of my customers are vaccinated," she explained. "It's about civil liberties and freedoms. Now we have to be in a society where people can't roam freely and enter my place of business if they want to? How is that OK in the United States of America?"

Inquiring readers would also like to know how, indeed!

The city will begin issuing fines of \$1000 for the first violation and \$2000

for the second offense for non-compliant businesses.

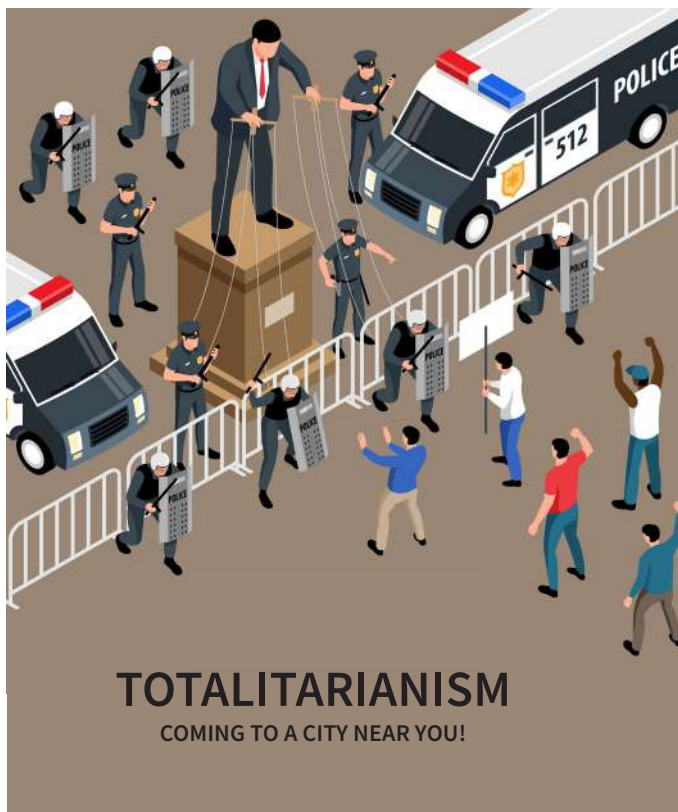

Of Course He Is!

Batman and Robin have been fighting the criminals of Gotham on the printed page and big screen for over 80 years now. And while we know that most readers of Armageddon News don't follow the epic feats of the Dynamic Duo, their impact on the generations of children and adults alike cannot be denied. Surely, comic characters so widely known and heralded have entered into the realm of legend and are veritable cultural icons.

Cultural icons, however, must keep up with the times. Accordingly, the latest release by DC Comics reveals that Robin is bisexual. Who'da thought? The Boy Wonder himself has entered full throttle into the zeitgeist of the present age. Of course he is! In order to remain relevant and palatable to modern audiences, he has to be.

The revelation has been met with the requisite amount of approbation and effusive applause. Fans have speculated and written to DC Comics for years urging for the change (even though sexual attraction by their logic is supposed to be immutable). The company complied. One must always keep the fans happy.

We are thankful to be serving an unchanging God in the midst of a shifting, foundationless society. Only those safely moored to the Rock of Ages will survive the tidal waves of destruction sweeping souls off of the battlefield of Armageddon straight into eternity. Are you anchored with us? 🏴‍☠️

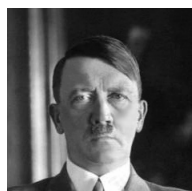

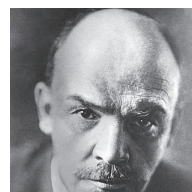

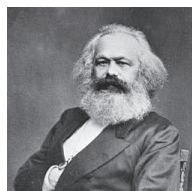

When you remove God out of the equation as an influence in government, there is only one final outcome, regardless of the branding—Nazi, People’s Republic, Marxist, Leninist, Communist, the “great reset,” “build back better,” “green new deal.”

The enemy only has one blueprint for controlling the populace. The modus operandi of tyrannical, oppressive totalitarianism is timeless. First it segregates, then oppresses, and finally eliminates those that would stand in the way, pose a threat, or dare invoke the name of God while the mainstream rushes headlong towards the “Greater Good.”

“The Christians to the lions” has been the cry since Nero. If you listen carefully, some are chanting that even now. 🐦
